Terms & Conditions

General information

One of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by Blocumen Technologies Pvt. Ltd. and how we use it.
If you have additional questions or require more information about our T&C Policy,

do not hesitate to contact us through email at Blocumen Technologies.

Log files

Blocumen Technologies follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include:

- internet protocol (IP) addresses
- browser type, Internet Service Provider (ISP)
- date and time stamp, referring/exit pages
- possibly the number of clicks

Privacy policies

You may consult this list to find the Policies for each of the advertising partners of Blocumen Technologies.

Third-party ad servers or ad networks uses technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on Incubator, which are sent directly to users' browser.

They automatically receive your IP address when this occurs. These technologies are used to measure the effectiveness of their advertising campaigns and/or to personalize the advertising content that you see on websites that you visit.

Note that Blocumen Technologies has no access to or control over these cookies that are used by third-party advertisers.

Third party policies

Blocumen Technologies's T&C Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites. What Are Cookies?

Children Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.

Blocumen Technologies does not knowingly collect any Personal Identifiable Information from children under the age of 13. If you think that your child provided this kind of information on our website, we highly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.

Online privacy

This privacy policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in Blocumen Technologies. This policy is not applicable to any information collected offline or via channels other than this website.

By using our website, you hereby consent to our Privacy Policy and agree to its Terms and Conditions.

Update

This policy was last updated on January 20, 2021. If there will be any update, amendment, or changes to our Terms & Conditions then these will be posted on this page.
